2021 SUPPORT PARENT TRAINING

Connecting with another parent who has a child with a similar disability or special needs can be one of the most helpful resources a parent will have – it can help make their journey a little brighter.

Trainings prepare you to give support to another parent who is parenting a child with special needs.

Join us for our *VIRTUAL Support Parent Training* and help us meet the increasing need for peer support by becoming part of Wisconsin's Network of Support Parents.

The trainings are free and are provided *VIRTUALLY* via Zoom link

Space is limited
Please register early!

Confirmation information will be sent after you register.

Training is offered *VIRTUALLY* through a Zoom link that will be sent to you a week in advance of the training along with a link to a video to preview before the training.

With questions about the training, contact
Lori Albers: 414-336-0636 or lalbers@chw.org

Please sign up for only **ONE** training.
